Thanks. I agree with your points below (and had similar reaction when I first read her edits) and will look over the paper again before I send on to AH today.

John -

I cleaned up the outline, keeping all of Brianna's additions except for this one:

Wayne, If you have time today to look over Brianna's edits and clean up anything else, then I will forward that to Angeles. I'm generally OK with what she added for this stage in the process, unless you want to refine or add to it.
